Dedication

We dedicate our 1973 *Forum* to those teachers who have given over 200 years of service in all fields of education to our school and community.

These dedicated people have aided us not only as teachers but as counselors, coaches, advisors and friends. They have exerted their influence since the day we entered John F. Kennedy and that influence will continue to be with us for the rest of our lives. We cannot put into words how much they have done for us by helping to develop our minds, bodies, creative instincts and by giving us invaluable encouragement and advice throughout the years.

It is for this and so much more, that we, the Senior Class of 1973, dedicate our yearbook to you, Amelia Janaczek, Francis Pry, Eulalie Sanders, Angela Russell, Eleanore McGinn, Cecile Goldberg, and Doris Cleaver.

Mrs. Sanders chats with senior girls

In Appreciation

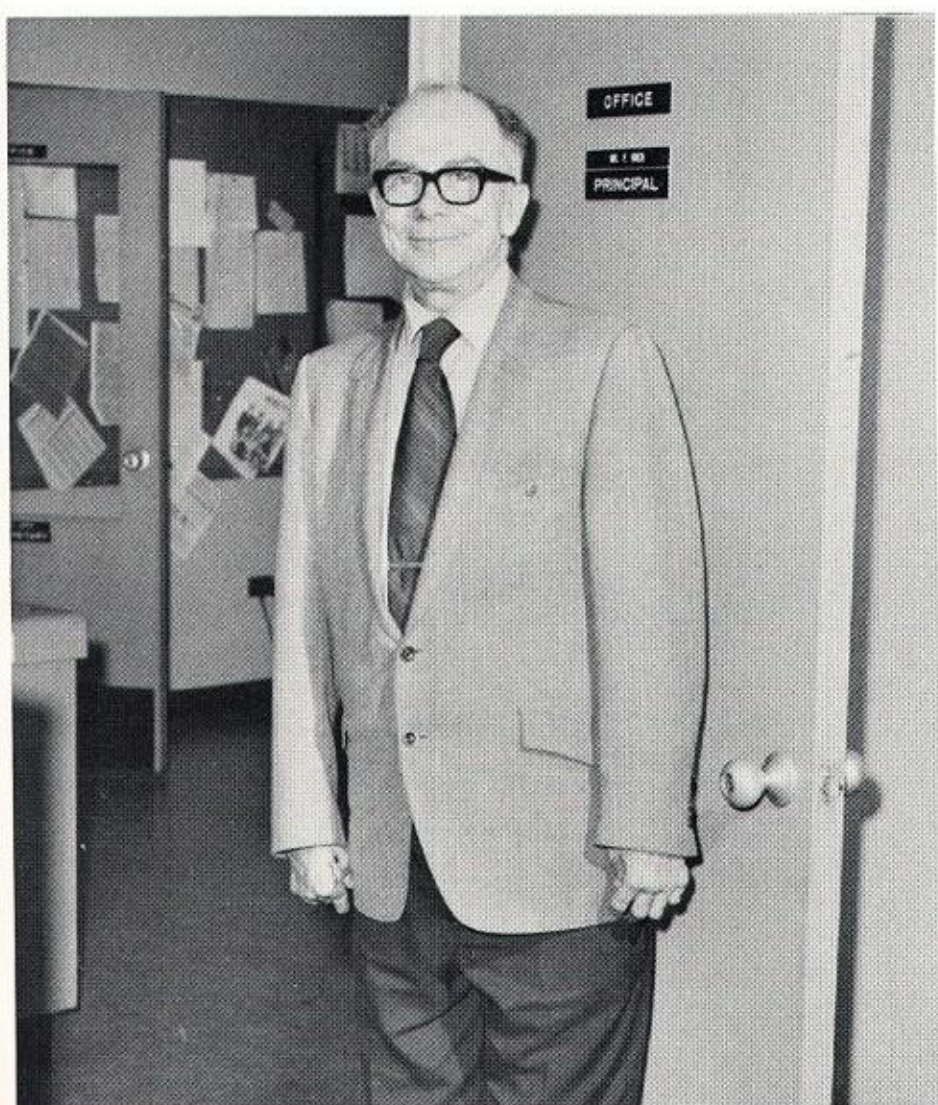

We would like to show our appreciation to Miss Florence T. Kaminski, who has served as principal of Grover Cleveland Elementary School and Mr. Francis Wier, who has served as principal of Theodore Roosevelt Elementary School. They have guided us from our first faltering steps in kindergarten so that we would be prepared to face the challenges that were to be met during our high school years. Their rewarding influence has helped us to become better students, informed citizens, and well-rounded individuals. After many years of service, these two fine educators are retiring, and everyone will feel a sense of loss.

Miss Kaminski

Mr. Wier

Mr. Wier

Miss Kaminski

Dr. Joseph Gizinski *Superintendent of Schools*

Dr. Joseph Gizinski is the superintendent of Union Free School District No. 9. He oversees the learning processes at John F. Kennedy High School, Grover Cleveland Elementary, Theodore Roosevelt Elementary, and Woodrow Wilson Elementary Schools. His office is located at Woodrow Wilson School but he can be found in any one of our four schools. He pays frequent visits to study teaching methods in our schools. He helps individual teachers as well as principals find new and better approaches to teaching.

He also conducts school board meetings and interviews applicants for teaching jobs. Dr. Gizinski has been with us for only a few years but we hope his fine work will continue for many years to come.

Mr. Henry Andrzejewski

Principal

Mr. Andrzejewski's job is a year round occupation. During the school year he works with faculty members so that our curriculum is suited to each student's individual needs. He helps acquire funds for our various activities and encourages us so that we can find our full potential. He meets with the school board and members of the community in order to insure the success of the educational process.

During the summer Mr. Andrzejewski plans each student's schedule so that he can best prepare himself for his life's work. Mr. Andrzejewski has done a fine job as principal because he feels that we, the students, are of prime importance.

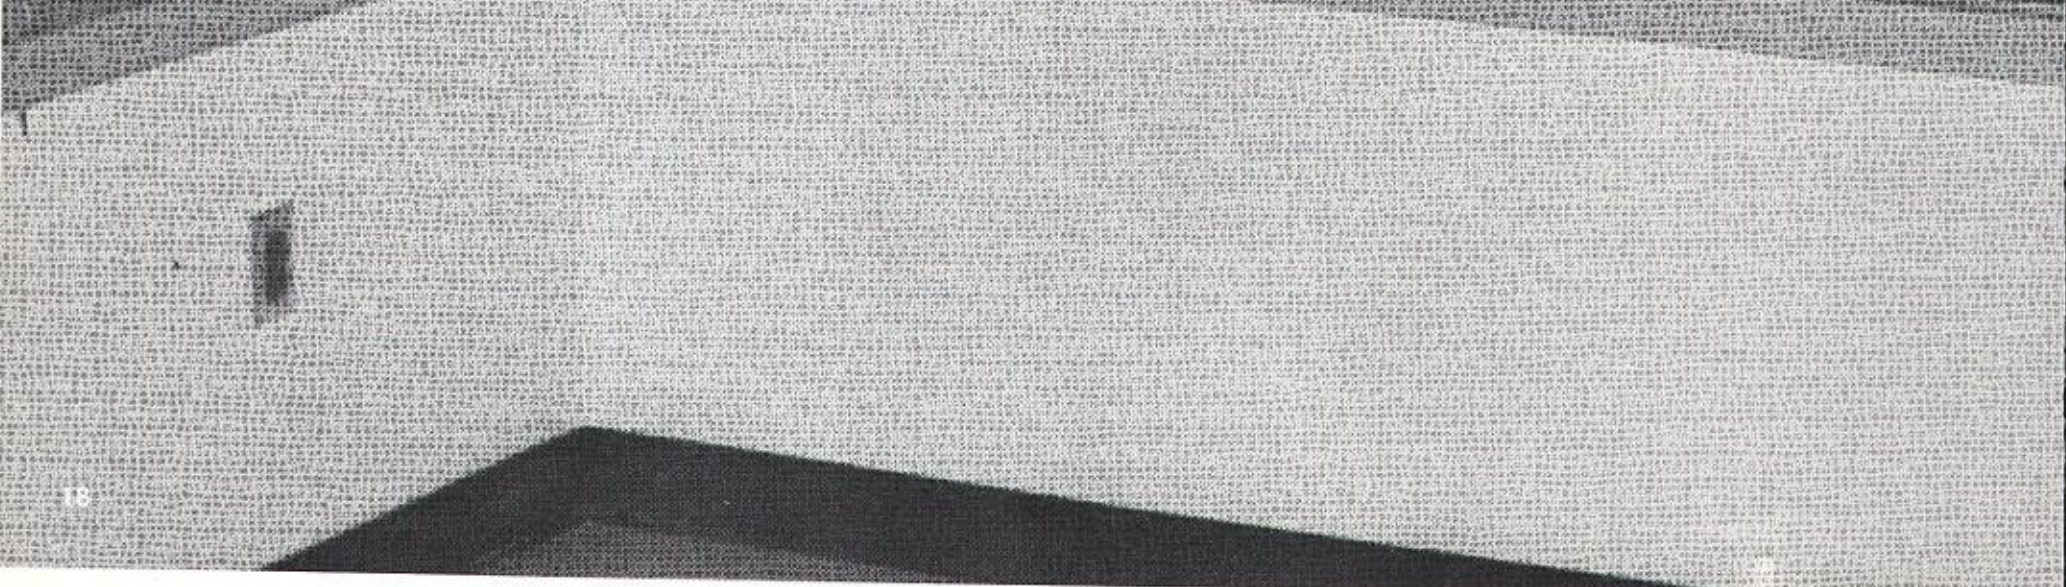

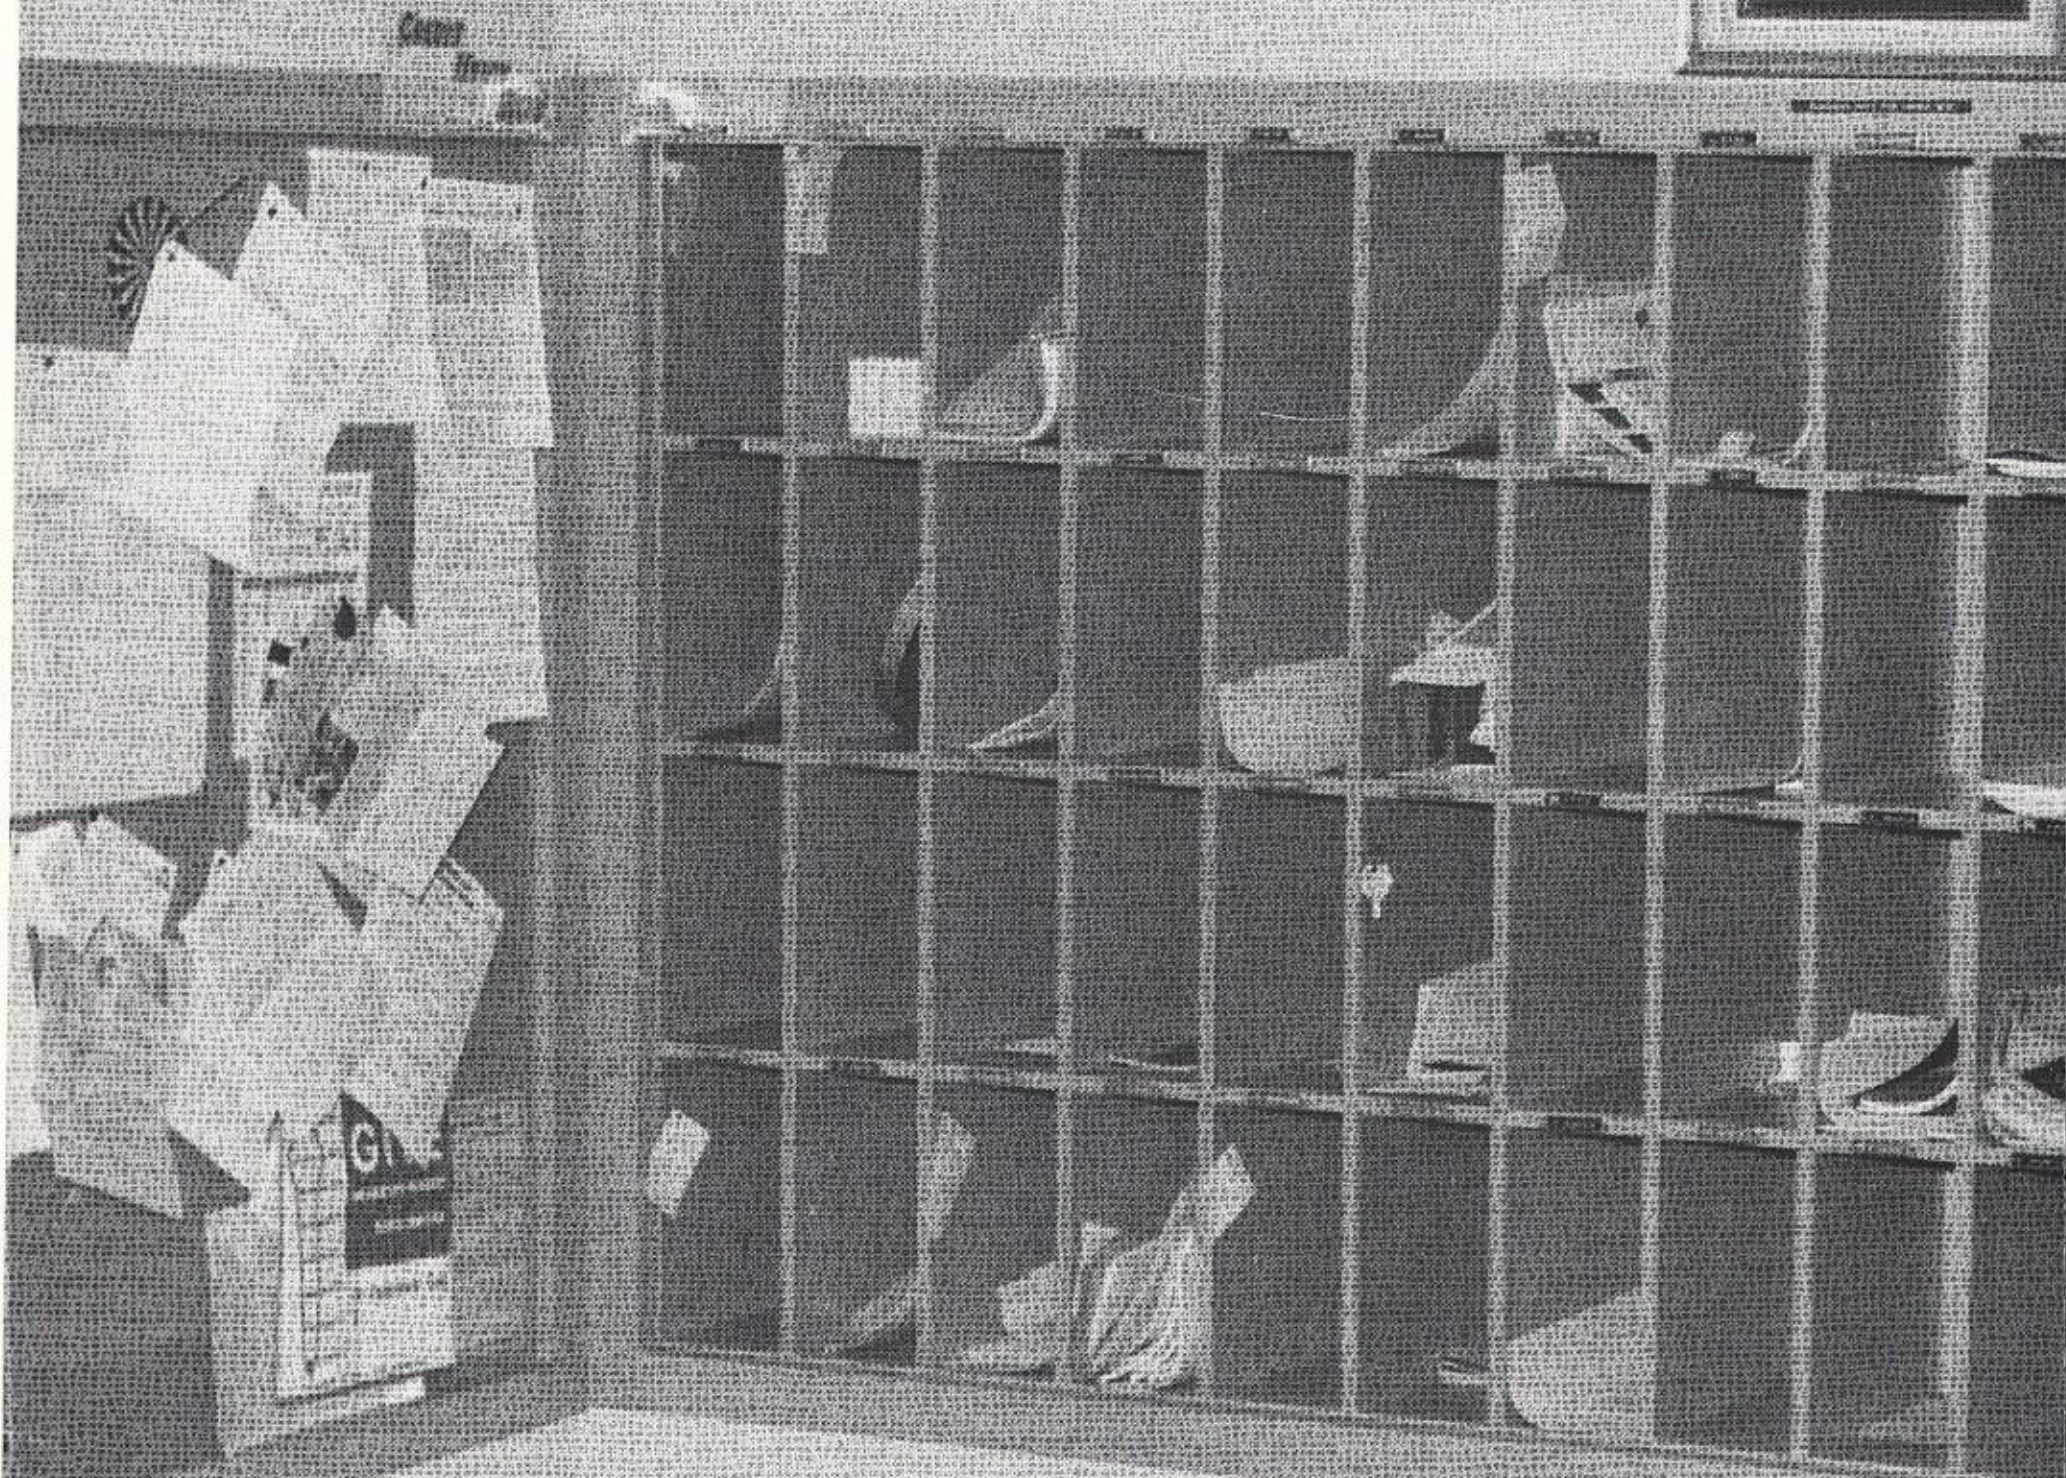

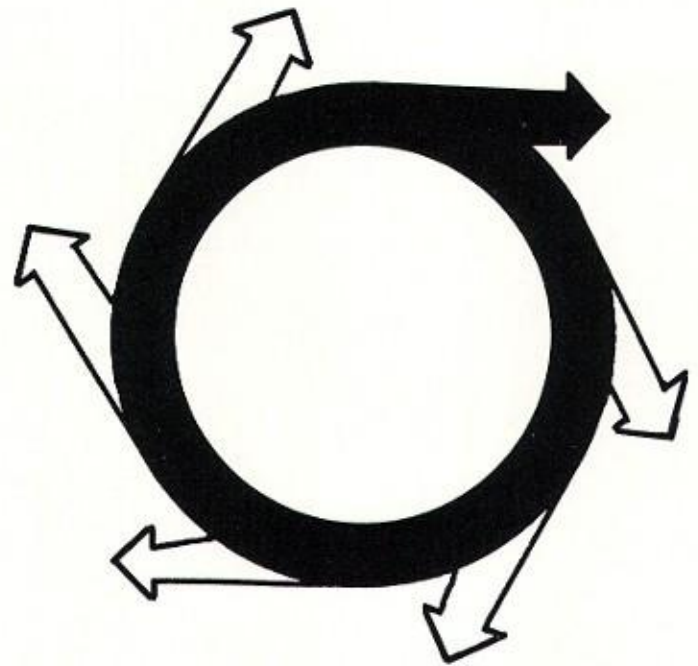

Mr. Henry Zwierzchowski *Vice-Principal*

A vice-principal's job means dealing with people. Mr. Zwierzchowski deals with the conflicts among parents, teachers, and students. A vice-principal's job is sometimes seen as that of a disciplinarian and in some respects this is true. Teachers send their problem students to Mr. Zwierzchowski and he tries to solve the problem so that it will be beneficial for the student and the teacher. Mr. Zwierzchowski talks to our parents at PTA meetings and through parent conferences. Mr. Zwierzchowski is a truly extraordinary individual with a multi-faceted job.

Faculty

*They planned each
charted course,
each careful step
along the way.*

Social Studies

This department has added two worthwhile courses to its curriculum, Economics and Consumer Education. Each of these courses is designed to educate you, the consumer. Along with these new subjects are Early European and American History and Sociology, the study of people. With the introduction of new and different courses, students now realize that History is no longer the study of the past, but a window to the future.

English

Our English Department holds special magicians within itself, our teachers. Their purpose is to paint a vivid picture of early and modern Literature, to increase the mastery of vocabulary, and to enhance imagination. The teachers understand that each student has his own technique; therefore each student is his own English scholar in every sense of the word. Imagination and creativity plays a great part in English. We express it in what we write and we broaden our minds through the literature and words we explore.

Science

Science is forever changing and can extend in any direction. Such is the case of the John F. Kennedy Science Department. The courses offered can be as complex as Physics or Chemistry or as adventurous as Biology. In a College Entrance course, one might find his Science classes a great experience. To make Science classes more interesting there has been a field trip to the Science Museum in Toronto. The introduction of the dissection of the shark and cat to Advanced Biology Class has also added interest. In the past year the Science Department was asked to choose top students from its department to spend an Edison Engineering and Science Day at SUNY at Buffalo. That day was exciting for both students and teachers.

Rita Domhart

Mathematics

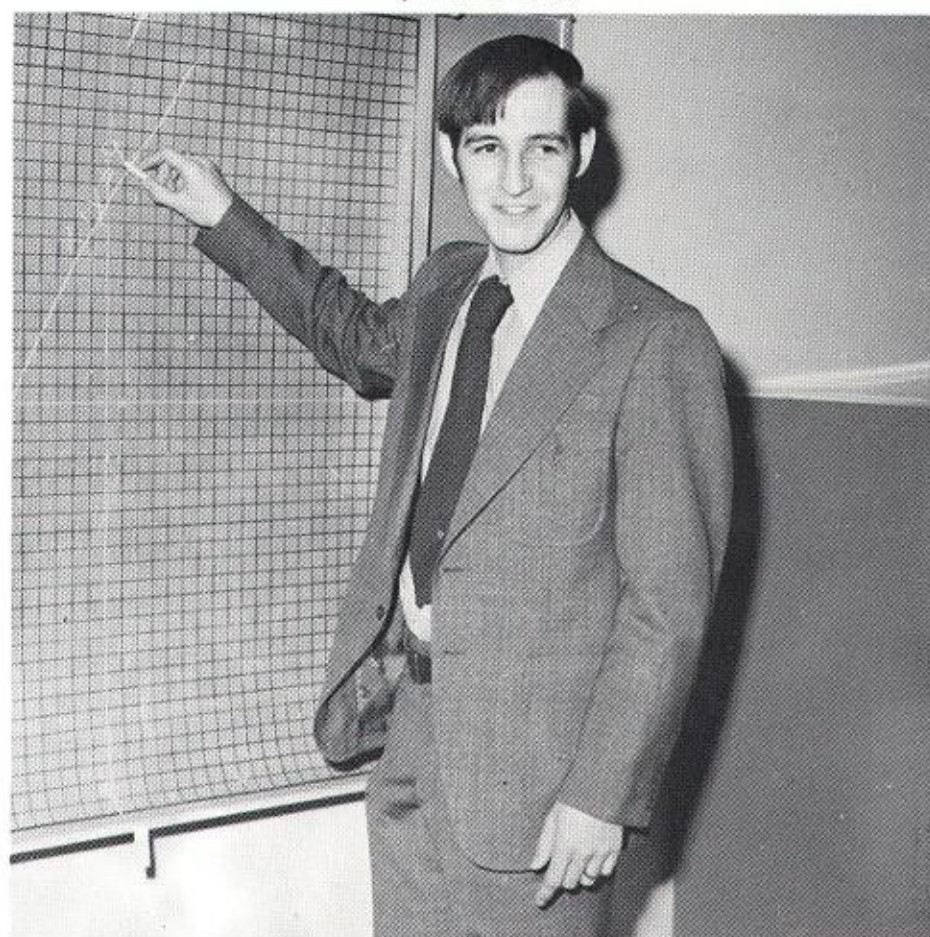

Our Math Department is one of never ceasing changes. "Math," according to Webster's Dictionary, "is a science that studies and explains numbers, quantities, measurements, and the relation between them." The John F. Kennedy Math Department has not limited itself to General Math, Elementary Algebra, Geometry, and Trigonometry, but has included advanced math courses such as College Algebra and Calculus. This department, reflected by its wide variety of courses, encourages independent thinking through Mathematics.

Richard Andrzejewski

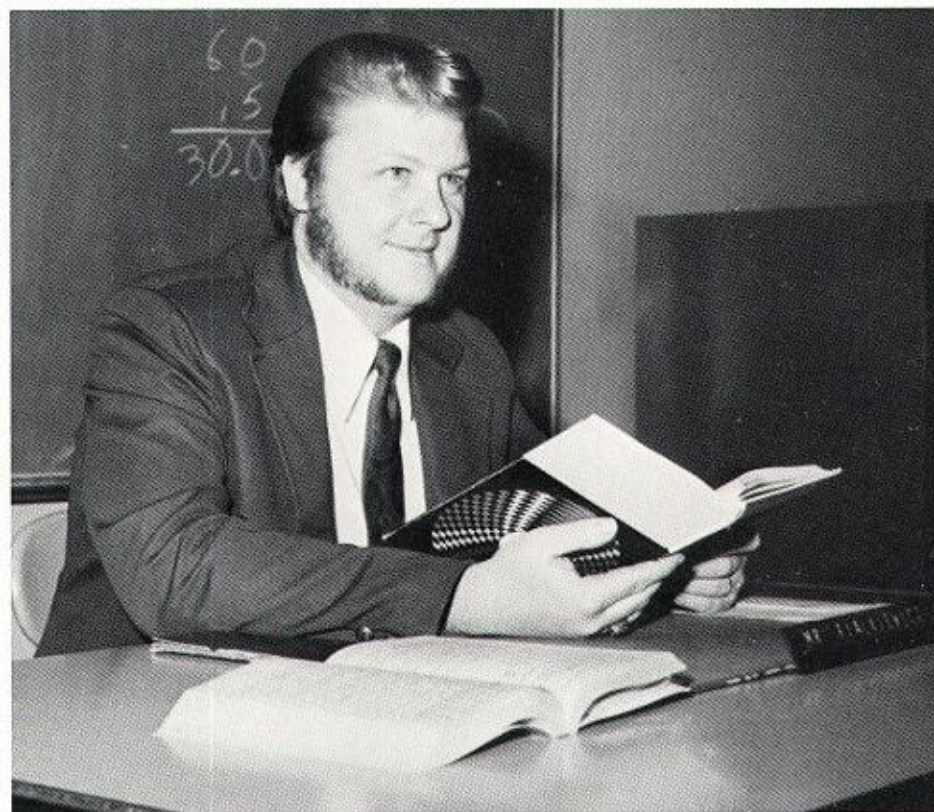

Thomas LaPenna
Department Head

Loren Ratajczak

Edward Fialkiewicz

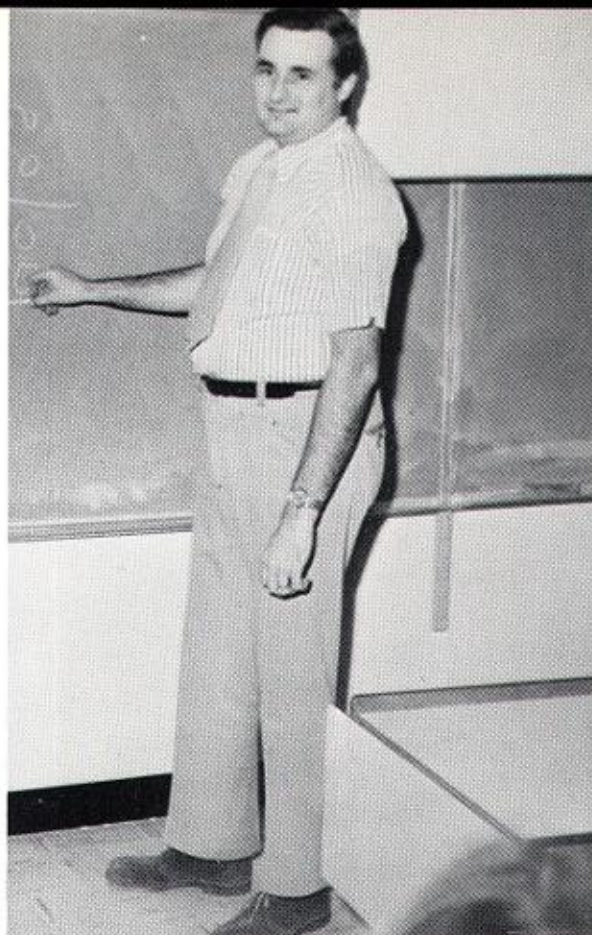

Carolyn Maslona

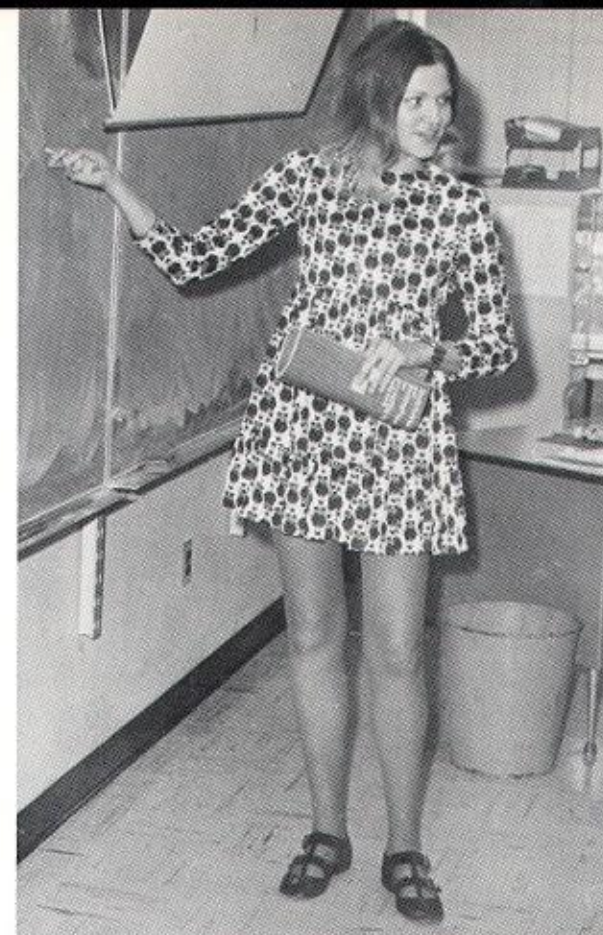

Kathleen Herman

Business

Business is concerned with labor and profession. This past year has seen our Business Department prosper with excitement. For the first time, the young ladies in secretarial practice have become office aides thereby helping the secretaries in the main office. The DECA Club, primarily a club for those enrolled in Business courses, has ventured into a fund drive. The Business Department has seen the return of Notehand, a course designed for College Entrance students. This course teaches the student how to pick out important facts and how to write them quickly. This mound of activity is characteristic of the Business Department.

Art

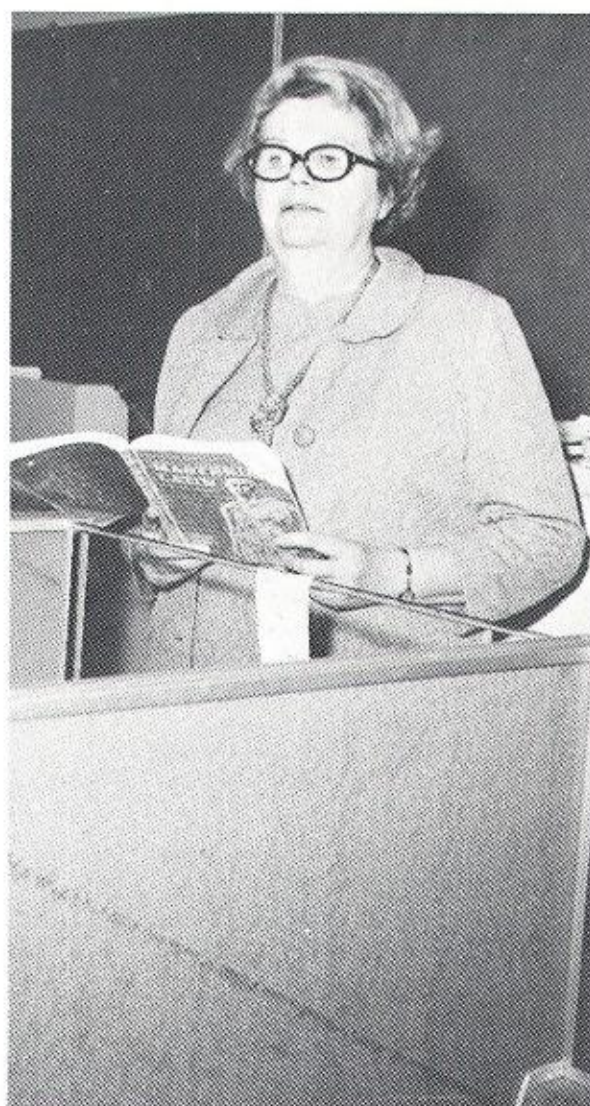

The Art Department has the power of doing something skillfully yet easily. Art can bring out a certain amount of imagination from the student. He can imagine color, shapes, and printings. Last year John F. Kennedy won an award for the best safety poster. This reflects the talent and skill of the students, teachers, and the entire Art Department.

Language

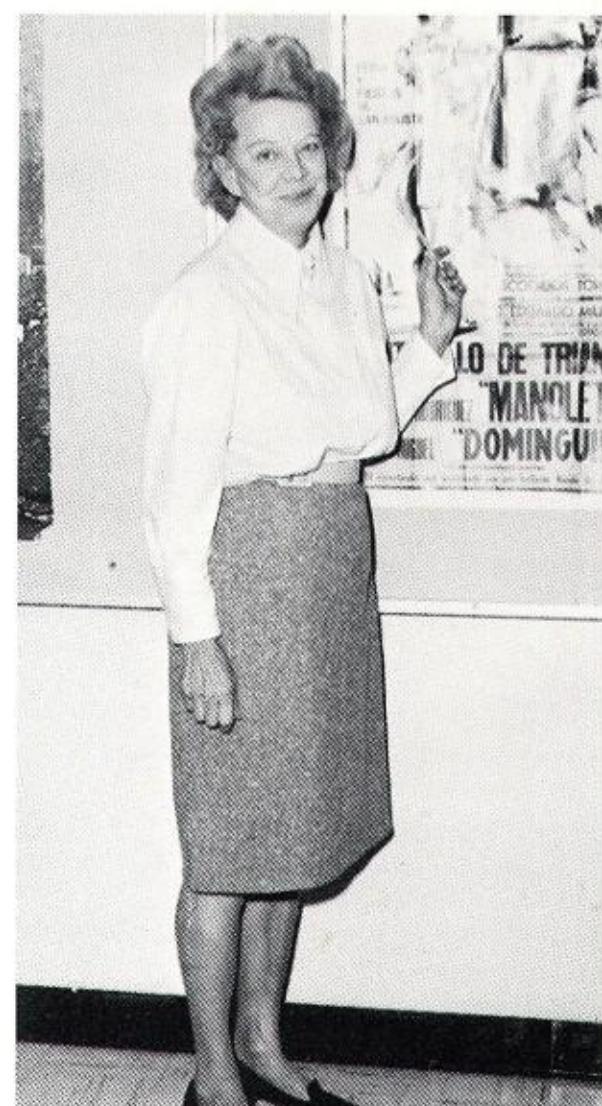

The Language Department has flourished with activities over the year. A French Breakfast, a trip to Montreal, and field trips to movies and plays sponsored by the French, Spanish, and Latin classes are a few activities of the language department. The students are given a chance to broaden their outlook on life through the panorama of a foreign country. Not only is a language discovered but also the background of its history and culture is revealed.

Richard Meloon

Doris Cleaver
Department Head

Madeleine Cheston

Music

Music soothes the savage beast, entertains people from one to ninety-two, and can put a tired mind at ease. Our Music Department does all this and more. Music is not a subject that can be memorized but one that must be felt. It can flow through the veins of every music student. In the Kennedy Music Department the students not only study music, notes, and songs but also music theory. At the end of this course every student has more insight into the music field.

Physical Education

The importance of the Physical Education Department is evident. Our bodies are taught to grow and expand both mentally as well as physically. Also, our strength, agility, and endurance are measured. As we work toward a special goal we are also enjoying the freedom of this course. Our improvement cannot be measured by test grades or classroom attendance or by shooting a basketball correctly or completing a headstand. As long as you know you can do it, you have passed all the required tests. Over the past year this department has sponsored intramural games for the boys as well as the girls.

Future Teachers of America

The John F. Kennedy Chapter of the Future Teachers of America has broadened its perspective outlook on the teaching profession. The past year has found many of FTA's members tutoring students at the Grover Cleveland Elementary School. The FTA not only makes money for its reasonable causes but also provides a variety of changes in our daily school life. Fund raising activities include spring car washes, and the making and selling of tags for football and basketball games. The money from these activities is used for the annual officers' installation dinner held in May.

Medical Careers Club

The John F. Kennedy Medical Careers Club has been very active during the 1972-1973 school year. In October, Mrs. Stuart, an R.N., talked about the prospects and future of a career in medicine. As a December Christmas project, the club members caroled at West Seneca State School. Mr. E. Norton was guest speaker in January. He gave a lecture on venereal disease. In February, Miss A. Molenda spoke on the causes and preventions of birth defects.

Nuntius

The Latin translation of the Nuntius is "the messenger." Our paper was meant to be just that — a messenger to the student body. The editors and staff members together, put a great deal of time, talent and dedication into each issue of the Nuntius. With each article, they are making the paper stronger, yet keeping the students well-informed about outside activities as well as school activities.

Each year the Nuntius editors and their staff members are asked to attend a Press Day at St. Bonaventure College in Olean. During the day, awards are given to outstanding high school newspapers. While attending the 1972 Press Day, the Nuntius received a Certificate of Merit and an award for fiction writing. These awards are indicative of the talent within each staff.

National Honor Society

Selection to the John F. Kennedy Chapter of the National Honor Society is a desirable form of recognition awarded to members of the Junior and Senior classes who have shown consistent qualities of leadership, high scholastic achievement, impeccable character and selfless service to both school and community. The National Honor Society sponsored a popcorn sale to help finance its annual field trip and the induction ceremonies of the new members.

It's Academic

On February 10th the Kennedy Bears entered into competition on the locally televised game of mental athletics "It's Academic." This year's team consisted of John Kapturowski, Sandra Stawiasz, and the captain, Marge Knoof. They played Williamsville North and Cassadaga Valley Central. They ran up a score of 235 points in four rounds of fierce competition and came in second place. Mr. Mahoney contributed greatly by coaching the team and by keeping them calm in those tense pre-game moments. Also, the alternates Lynn Sinski, Norman Neeb, and John Forma helped greatly by standing ready to pitch in for any emergency. Credit also goes to our faculty who helped the team throughout their years at Kennedy.

Alternates- Lynn Sinski, John Forma

Band

The J.F.K. Band, as a performing organization, has increased in size and popularity.

The band performs at all school assemblies and football games. It also participates in the Memorial Day Parade. The band gives a concert for the elementary pupils, and it puts on a spring concert. Awards are given for satisfactory service in the organization. The top award is The John Philip Sousa Band Award. A scholarship award is given to the band member who excels in musicianship and service and who will follow a musical career in college.

Row 1- Joseph Kapanek, Charles Franclemont, Mark Tuczynski, Frank Rusinski, Patrick Marciniak, Elizabeth Nowak, Linda Silva, Dawna Urkewich, Janice Warren, Carol Hajewski, Susan Silva, Andrea Astyk Row 2- Peggy Ridet, Maria Kostyszn, Irene Melithoniotes, Janet Harszlak, Ron Czarnecki, James Ortlof, Dave Markiewicz, Ron Kozlowski, David Braniecki, Tom Witakowski Row 3 - Sue Sokolowski, Maryann Dziwa, Jim Kosicki, Tom Leszkowicz, Gary Pokorski, Mark Franclemont, Mike Nikel, Charlie Urbino, George Hupkowicz, Gary Warren. Chorus

Row 1- Tom Witkowski, Mrs. Bliss, *Pres.* - Stanley Thines, Kevin Ziemba, Linda Silva, Irene Melithoniotes, Elizabeth Nowak, Andrea Astyk Row 2- Janet Harszlak, Sharon Zalemski Row 3- Donna Paradowski, Sue Pelletier, Sue Zardeskas, Sally Lewandowski, Kathy Benten, Dorothy Darijczuk, Pat Pelletterie, Sharon Cwiklinski

The John F. Kennedy chorus is made up of eighth, ninth, and tenth graders. These people held rehearsals one day each week after school. In our school Christmas program we found that their hard work and practice had paid off. The chorus' selection of songs ranged from the traditional carols to rock and roll Christmas songs. A spring concert was also held which again proved that the chorus has a great ability to entertain fellow students.

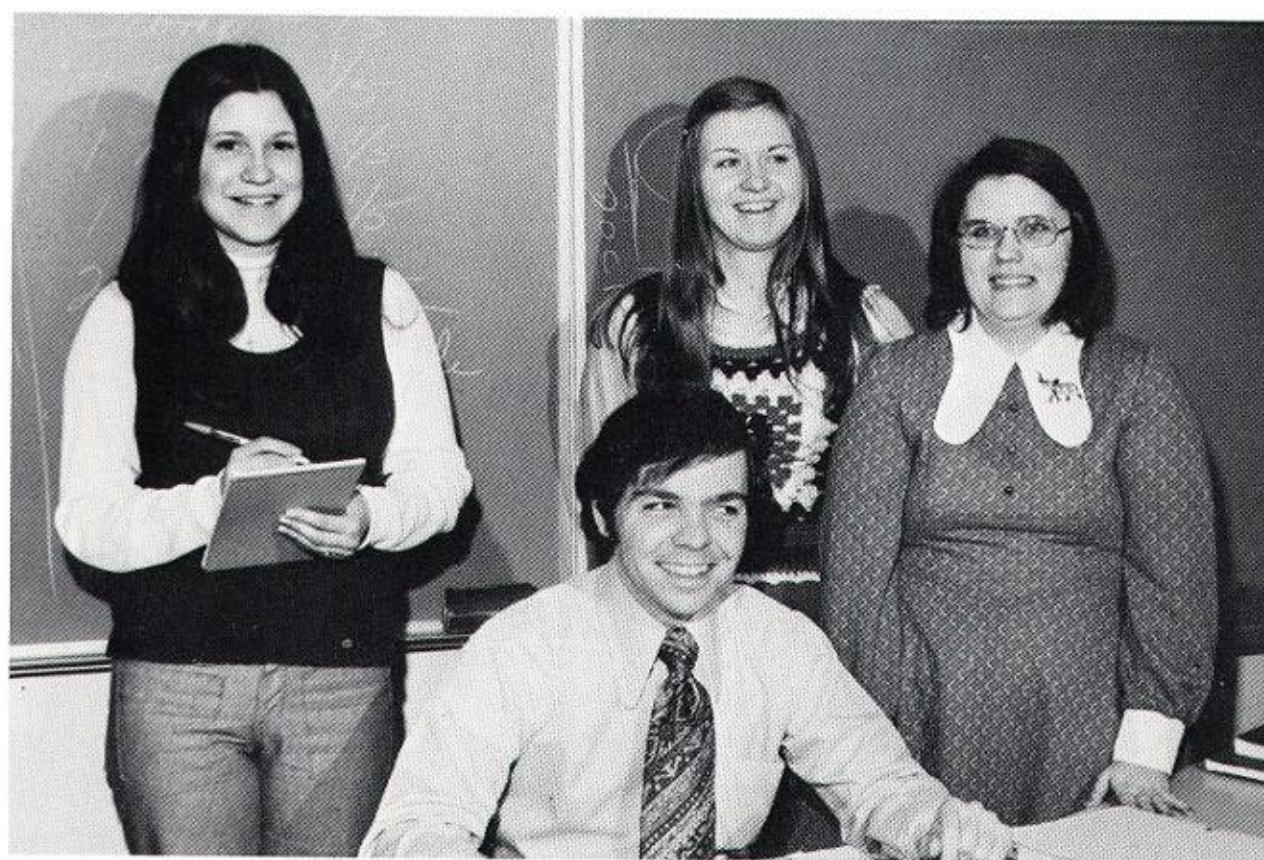

Drama Club

This year the Drama Club sold candles to raise funds for its second annual Christmas play. They performed the Musical production "Mr. Scrooge."

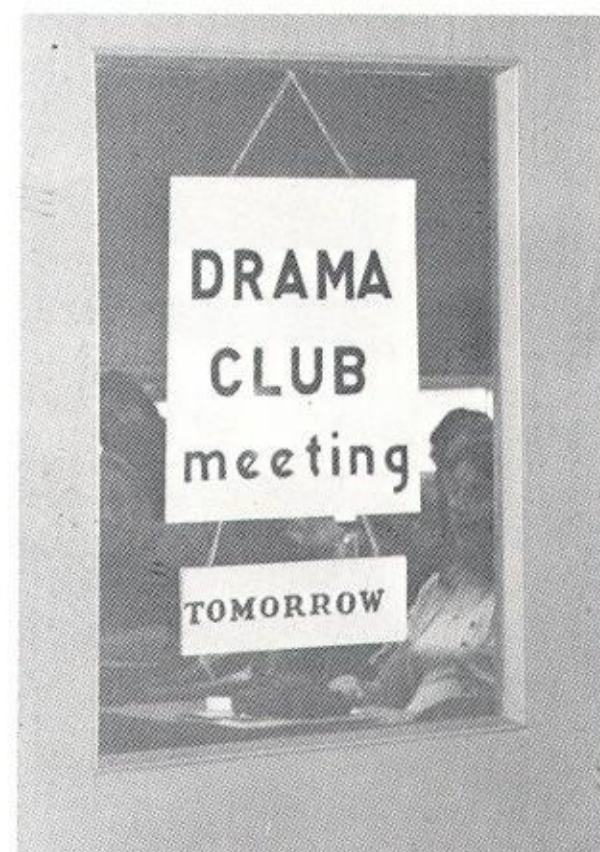

The Drama Club gives students an opportunity to become familiar with theories of the theatre and a variety of skills, techniques, authors and their works which would not ordinarily be encountered in the classroom.

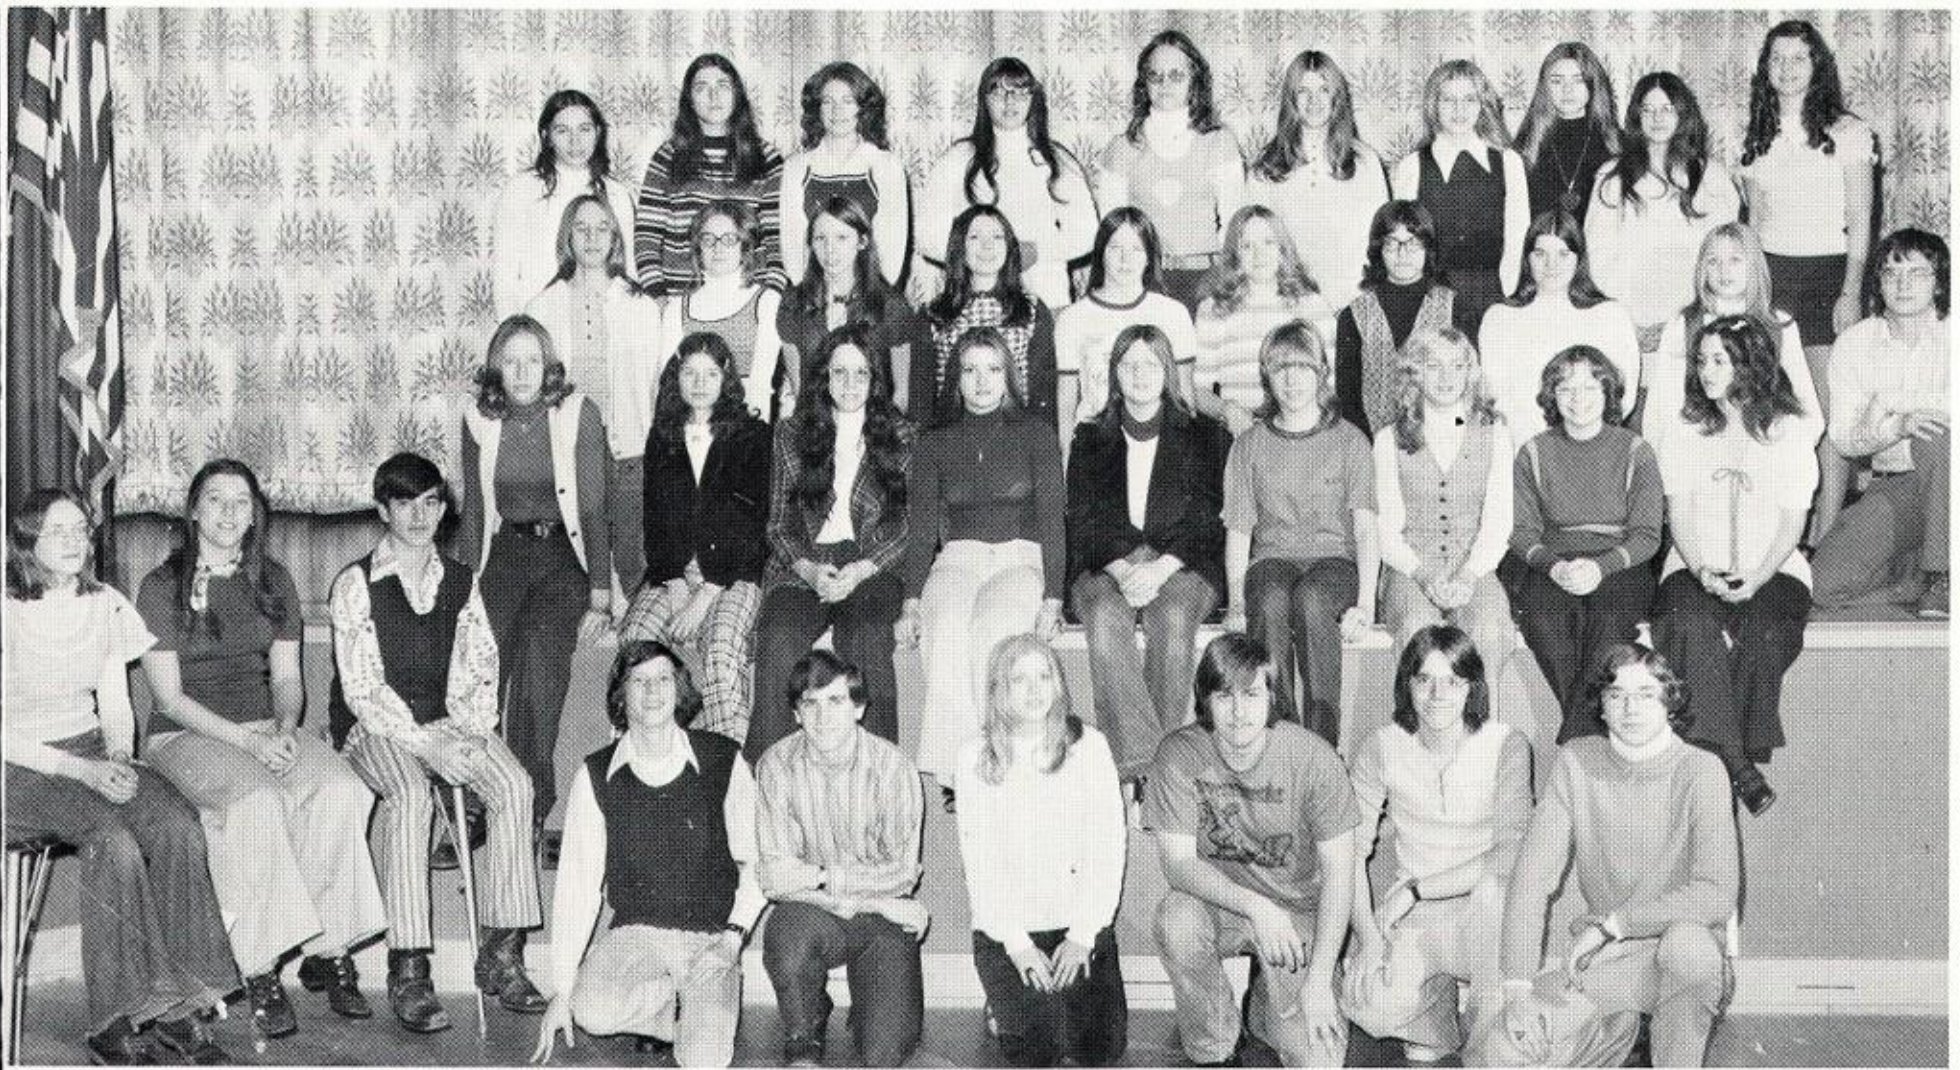

Row 1- Lori Dusza, Cathy Havaty, Dorene Panetski, Pam Neubauer, Nancy Krasuski, Janet Harszlak, Sue Matyjasik, Pam Courtney, Lynn Brauen Row 2- Patti Przybylak, George Schlenker, Cindy Martinec, Sally Lewandowski, Sue Zardeskas, Sue Sokolowski Row 3- Bob Ruggiero, Jim Rieck, Ken Rusin, Joe Cipressi, Leonard Czarnecki, Mike Cipressi, Charles Franclemont

D.E.C.A.

The Distributive Education Club of America is one of the most unique clubs in our school. Unlike other organizations DECA prepares retailing students for a career in the field of marketing and distribution.

Each year members of DECA, along with other schools on the Niagara Frontier, participate in competitive retailing contests such as: Sales Demonstration, Job Interviews, Radio Advertising and Management Decisions. These contests bring about recognition for the club as well as personal satisfaction for the student.

DECA, which was not so well known in our school, is beginning to gain more and more recognition each year.

Coaches

Our coaching staff helps every youngster to find himself by providing opportunities which will give each individual the chance to explore and develop his talents in his youthful years. It is a worthy objective which reaches fulfillment in later life.

By finding out that one possesses a talent or talents in certain activities, a youngster can gain a meaningful group relationship for life. More than likely, such relationships will help a boy grow in a positive and healthy manner — socially, emotionally, physically, mentally and spiritually.

Cross Country

This year's Cross Country team had its best season in the history of the school. With eighteen courageous runners, they finished in third place in Division III and placed well in invitational meets to earn the respect of other schools. Dennis Kasprzyk led the way by being the first runner ever to compete in the state competition. His individual feats paved the way, along with other team members, to produce a successful year. With all members returning next year, except for Mark Warren, we will be looking for even better accomplishments.

A perfect Kennedy pass

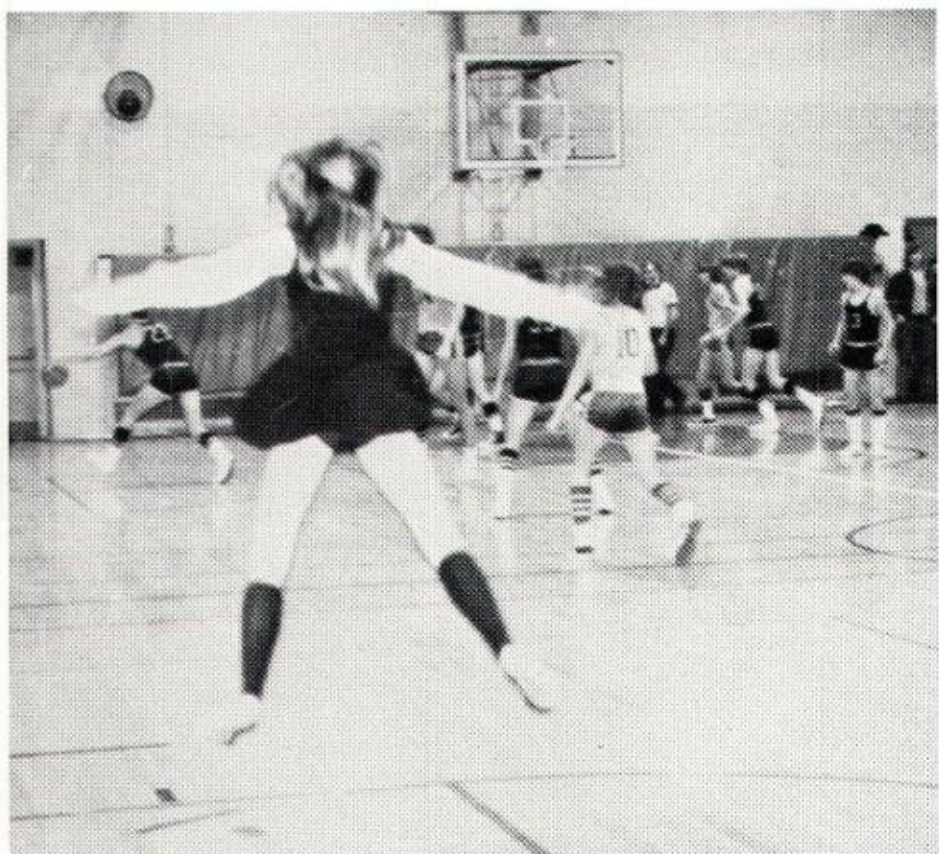

Varsity Basketball

Through the first 13 games of its season, the John F. Kennedy Varsity Basketball team had a nearly perfect record. Defeating their opponents by wide margins, their 10th game resulted in a controversial defeat. It seems as if Kennedy dominates basketball.

Division Champions

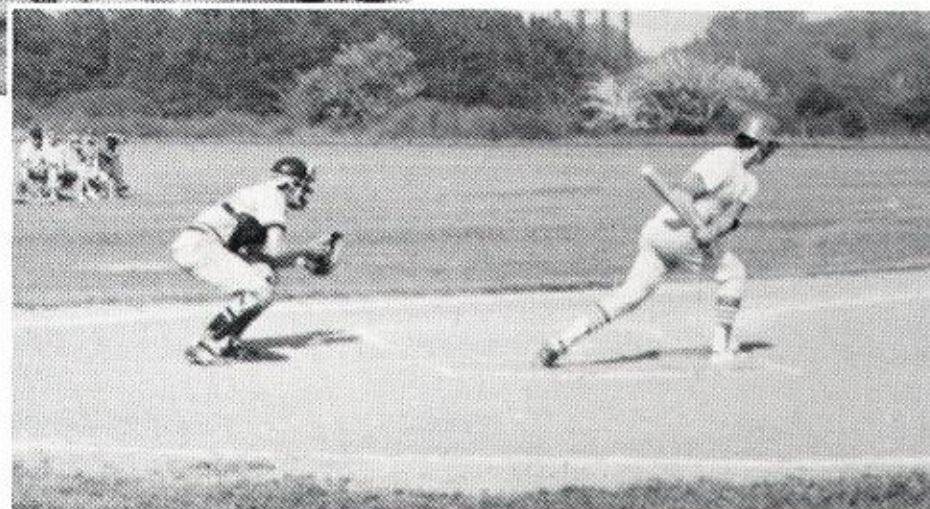

Our players truly fulfilled all the requirements needed to make a winning team when they captured the Division III Championship with a record of 15 wins and 6 losses.

In addition, the team received top honors in the Depew Baseball Tournament and competed in the Section VI finals. To add to these honors the team gave Coach Borsuk the 100th victory of his coaching career and placed four men in the Buffalo Evening News ECIC Division III All-Star Team.

Baseball Huddle

Cheerleaders

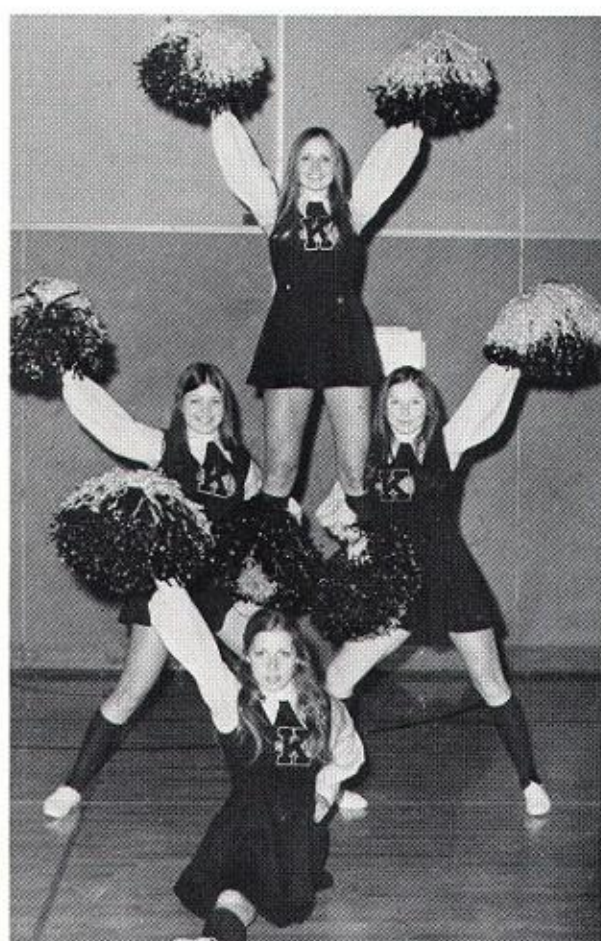

There are little eyes upon you and
they're watching night and day;
There are little ears that quickly
take in every word you say;
There are little hands all eager to
do anything you do;
And a little girl who's dreaming of
the day she'll be like you.
You are setting an example every
day in all of you do,
For the little girl who's waiting
to grow up to be like you.

J.V. Football

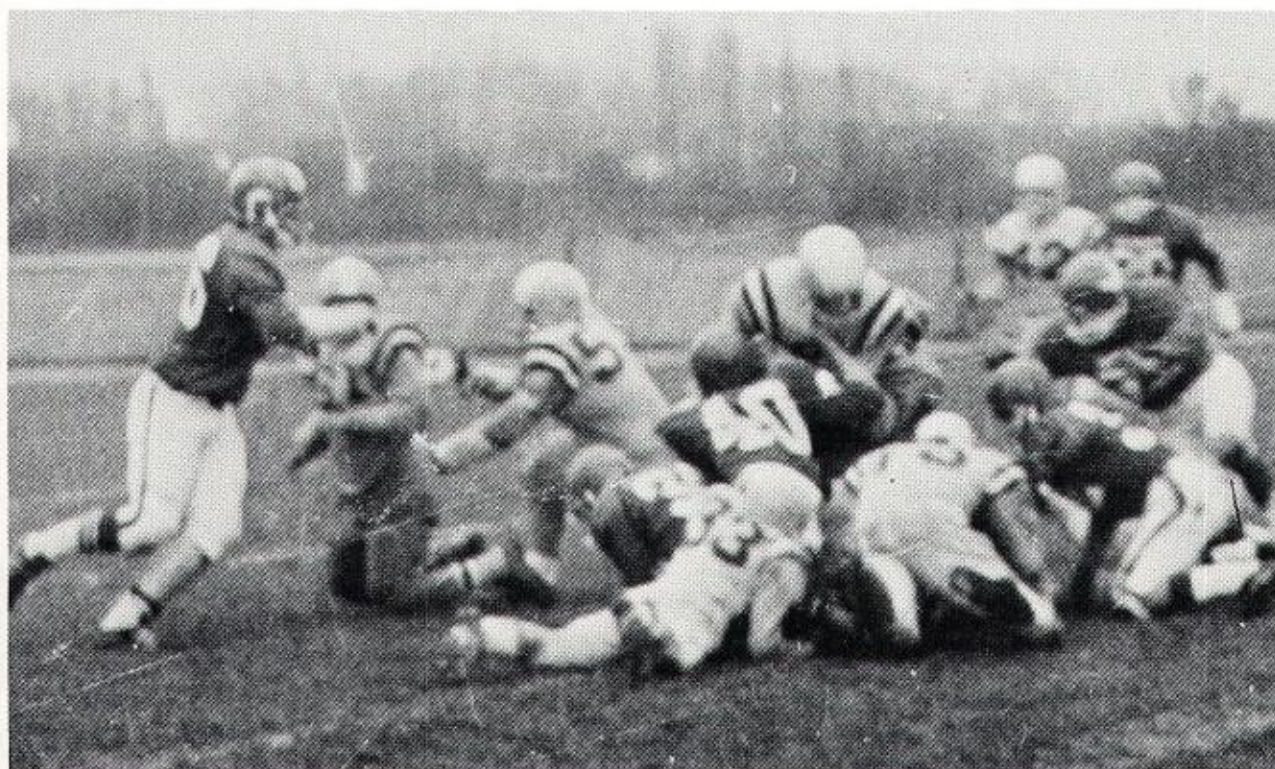

The Junior Varsity Football team endured a very disappointing season. The record was 0 wins, 6 losses, and 2 ties but it was not indicative of the tight battles that were played. We have a very good nucleus of boys coming back next year so things should brighten up.

Tennis

A young man represents his school, himself, his parents, coaches, and fellow students in competition on the tennis court. He must be in top physical condition and possess maturity in terms of attitude, desire, and self-discipline to compete with honor. All students would do well to match the spirit and pride in John F. Kennedy that the young men on the tennis team demonstrate.

Track

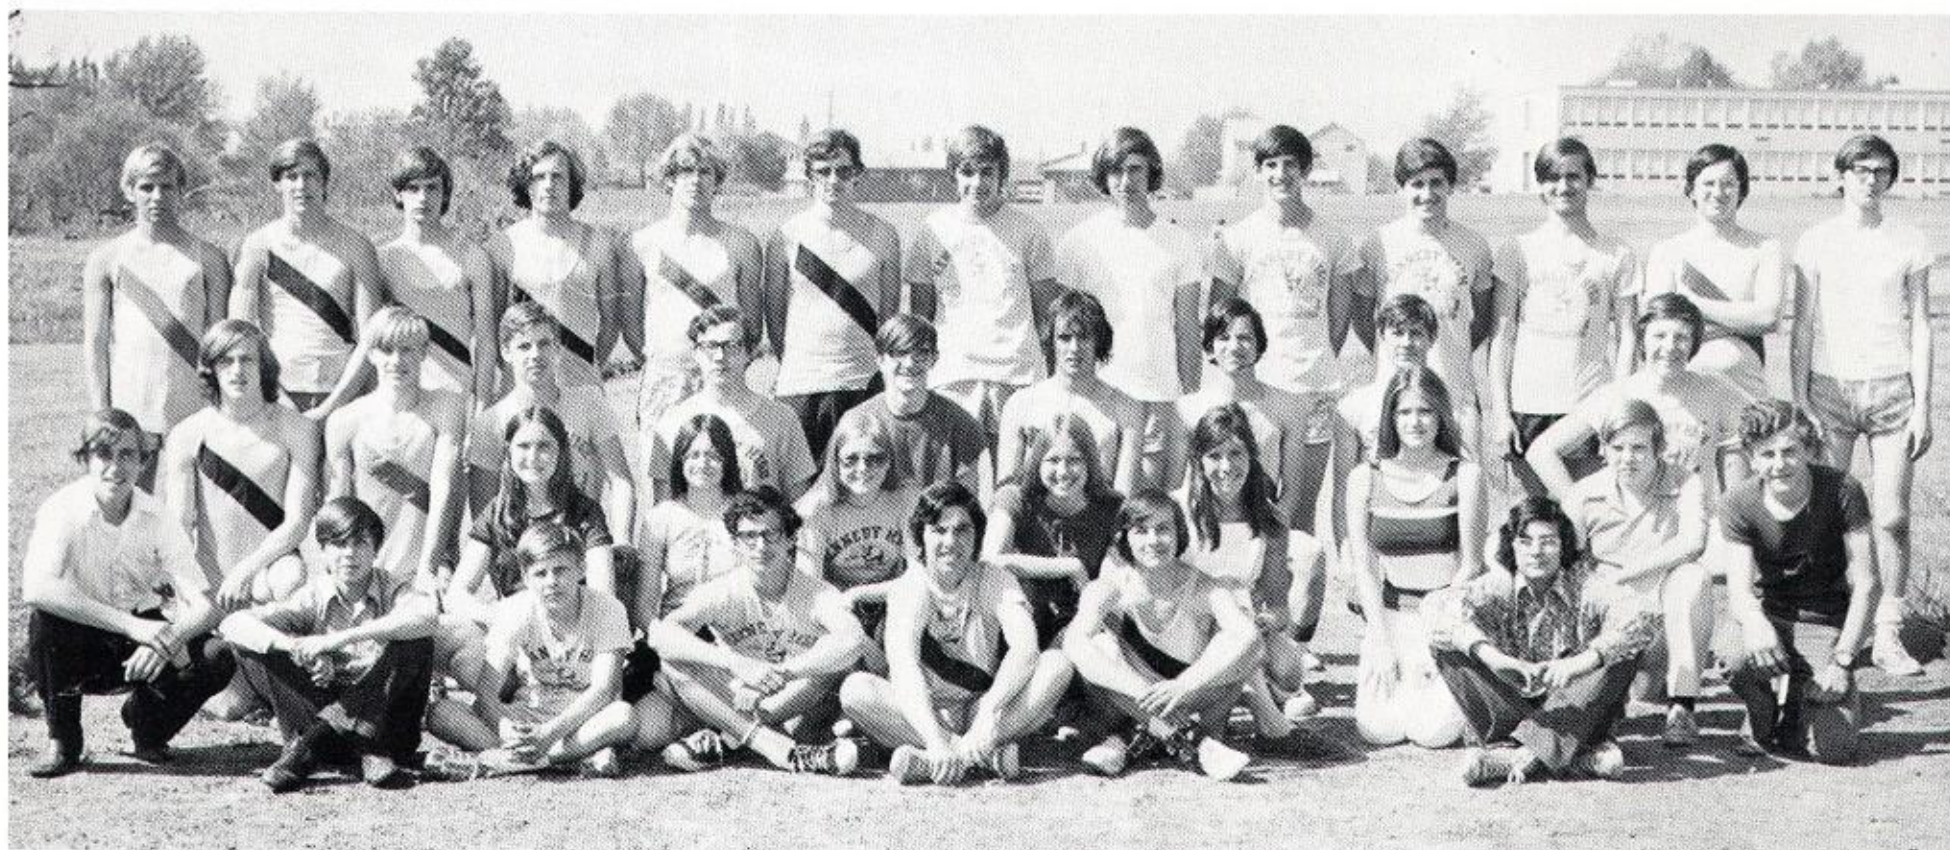

"Donning the garments of an athlete makes him that much more of a man."

The 1972 Kennedy track team coached by Mr. Peters and Mr. Glovak was one of the finest teams ever to represent our school on the cinder track in 30 years. There were 39 lettermen and 5 school records were broken: Dennis Kasprzyk set a school record in the 440 (:53.5), Frank Rago — shot put (45'11"), Jim Binkowski — triple jump (44'5½"), Ray Ostrowski 100 (:10.7), Roger Miller, Dennis Kasprzyk, Thomas Paul, and David Vandervoort in the mile relay (3:44.5).

The outstanding trackmen on Kennedy's team were Dennis Kasprzyk, who was defeated only *once* in thirteen meets. Ray Ostrowski was voted the Most Valuable Trackman by the team.

Exchange Students

This year our school was honored to have three beautiful foreign exchange students visit our school. They were Sheila Mucia Fisch, Ana Lucia Silva, and Lourdes de Diaz. The girls stayed at the homes of Darlene Graca, Dawn Connor, and Sharon Morris respectively.

Row 1- Darlene Graca, Dawn Connor Row 2- Sheila Fisch, Lourdes de Diaz, Ana Lucia Silva

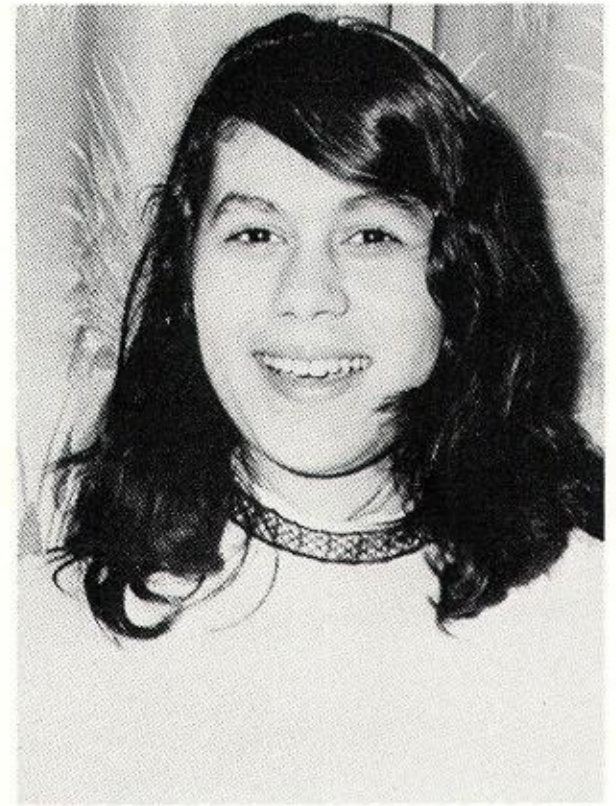

Ana Lucia Silva
Bahia, Brazil

Ever since I was a little girl, I had a dream. I always wanted to come to the United States, and now I realize how wonderful it is. I would like to thank the people of this school who have been so nice to me. The hospitality and all the smiling faces have me feeling at home. You made me very happy here. I'm sure I will miss everyone and also the snow which I had never seen in my country. I hope I'll see you someday my American friends! Thank you for making my dream come true.

Sheila Mucia Fisch
Rio de Janeiro, Brazil

I was somewhat afraid to come to the United States, but when I arrived, my fears disappeared. Everywhere I went, I was greeted with warm friendly smiles and hellos. I have learned a great deal about your country. I really like the snow and snow sports. I have made many friends and will miss you all. Perhaps I'll see you again and I hope to revisit the United States soon. I hope some of my new friends visit my country. Thank you all for making me so happy.

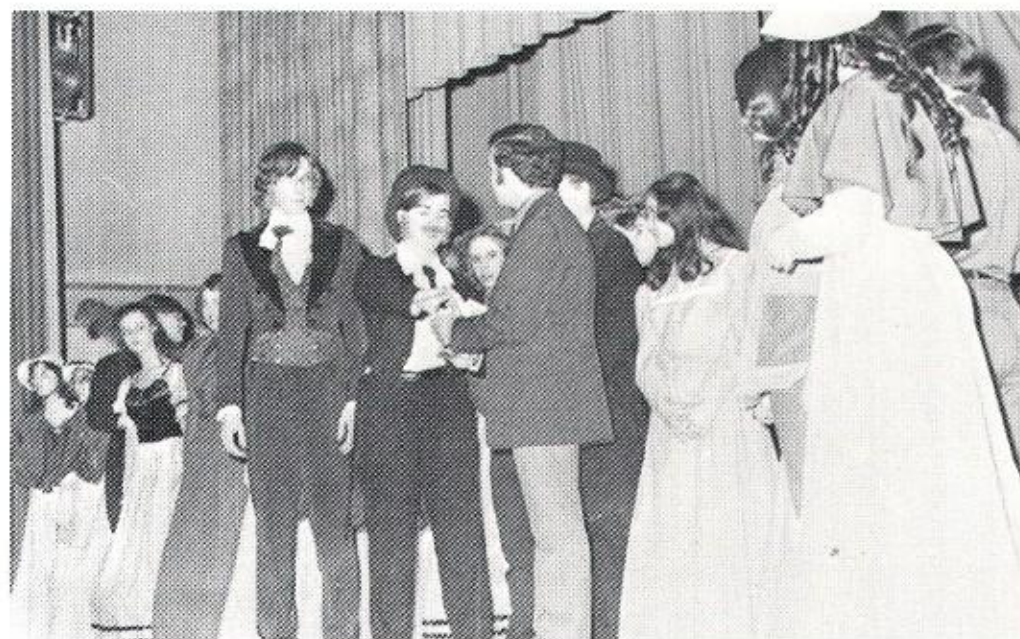

Lourdes de Diaz
Guatemala City, Guatemala

Although I've traveled to Mexico and the United States several times, this trip was surely the best. When I came here, I was afraid that I might go unnoticed in your large country. I couldn't have been more wrong! You have made me feel more welcome than I thought possible. Thank you for being so kind and friendly to me. I felt as if I were with my own family and friends. You have shown me how wonderful American people really are! Thank you all my new friends!

Assemblies Provide Entertainment and Education for the Student Body

Throughout the school year our student body is provided with many entertaining and educational assemblies. We learned about snakes and lizards from Mr. Gordon Carey. He brought different varieties of snakes and showed us that they are really nothing to be afraid of. The students and teachers got into the act too, when Mr. Carey made them wear the animals about their necks. We learned about Scottish dances from three talented young people called the Heather Trio.

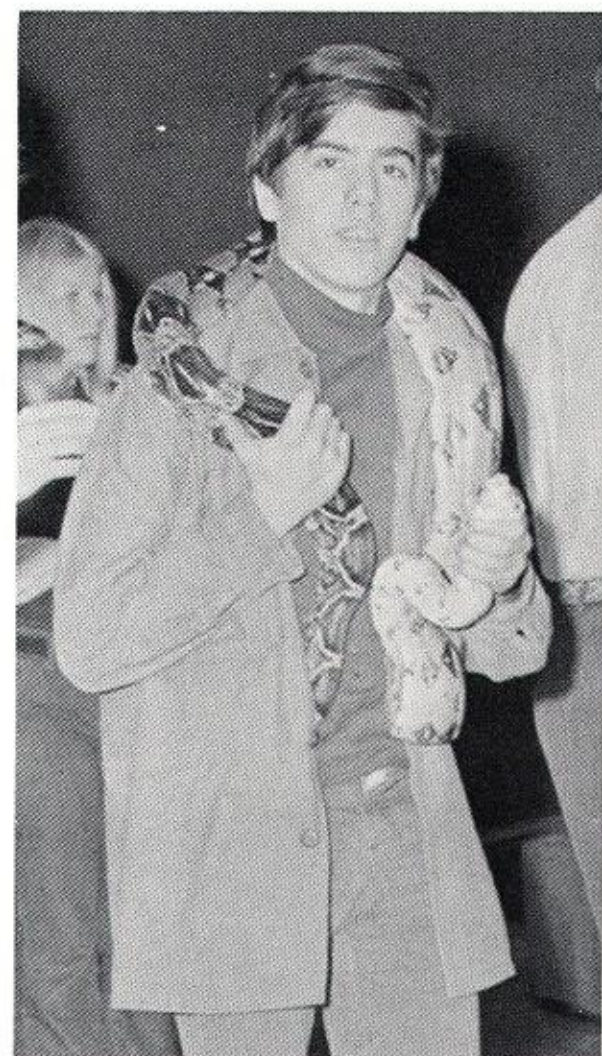

Our school is not without its academic stars as was proved during the National Honor Society induction ceremony. At Christmas, carols were sung by everyone from seniors to the Junior High chorus. We were entertained by the Drama Club's production of "Mr. Scrooge." Assemblies provide one part of a well-rounded education and we hope they will be continued.

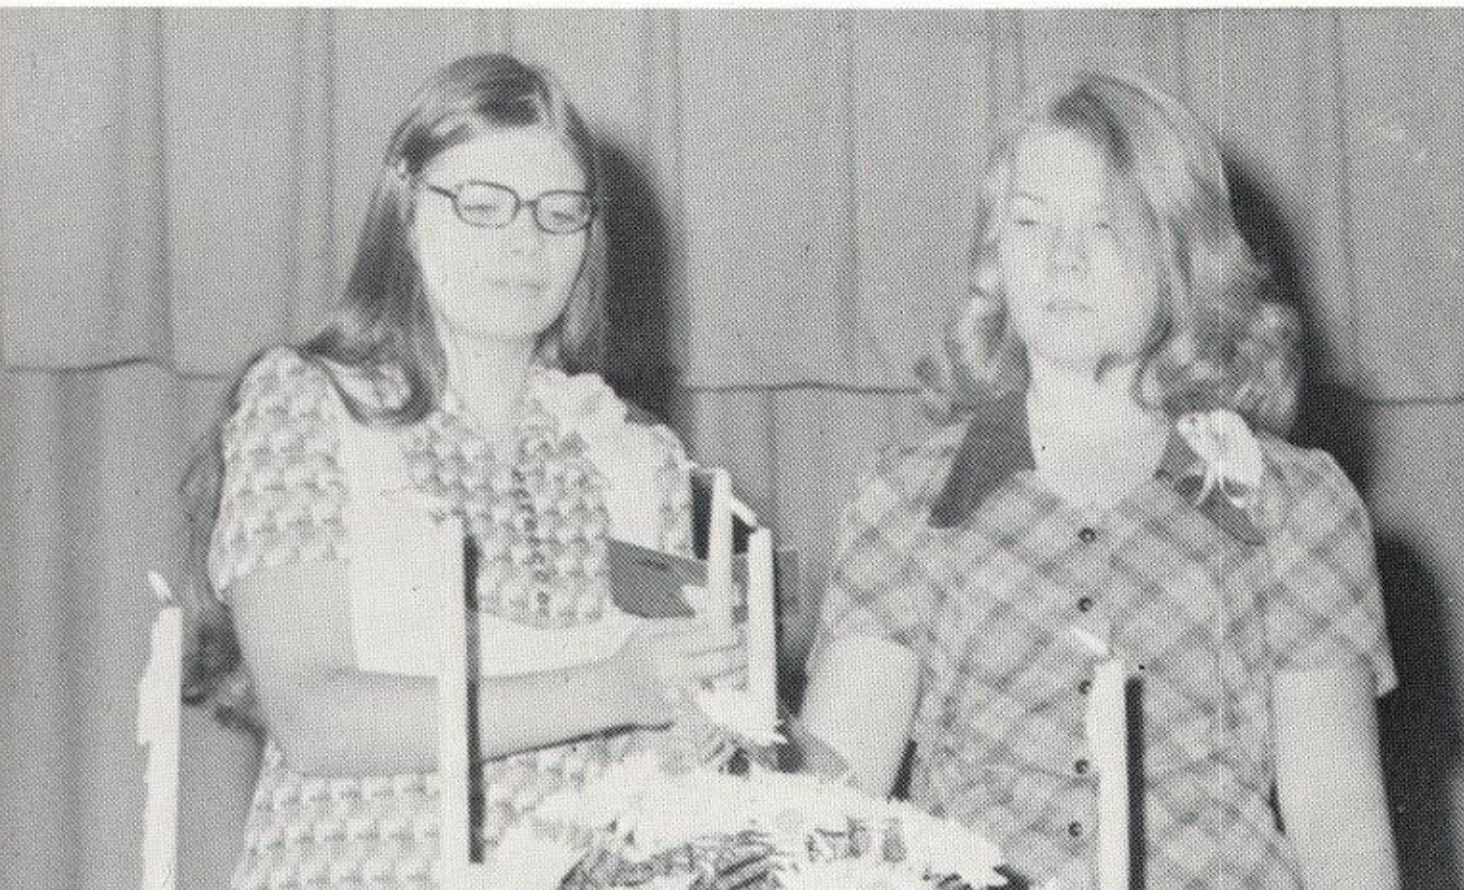

Drama Club members congratulate Mr. Greenway

Experience is the best teacher

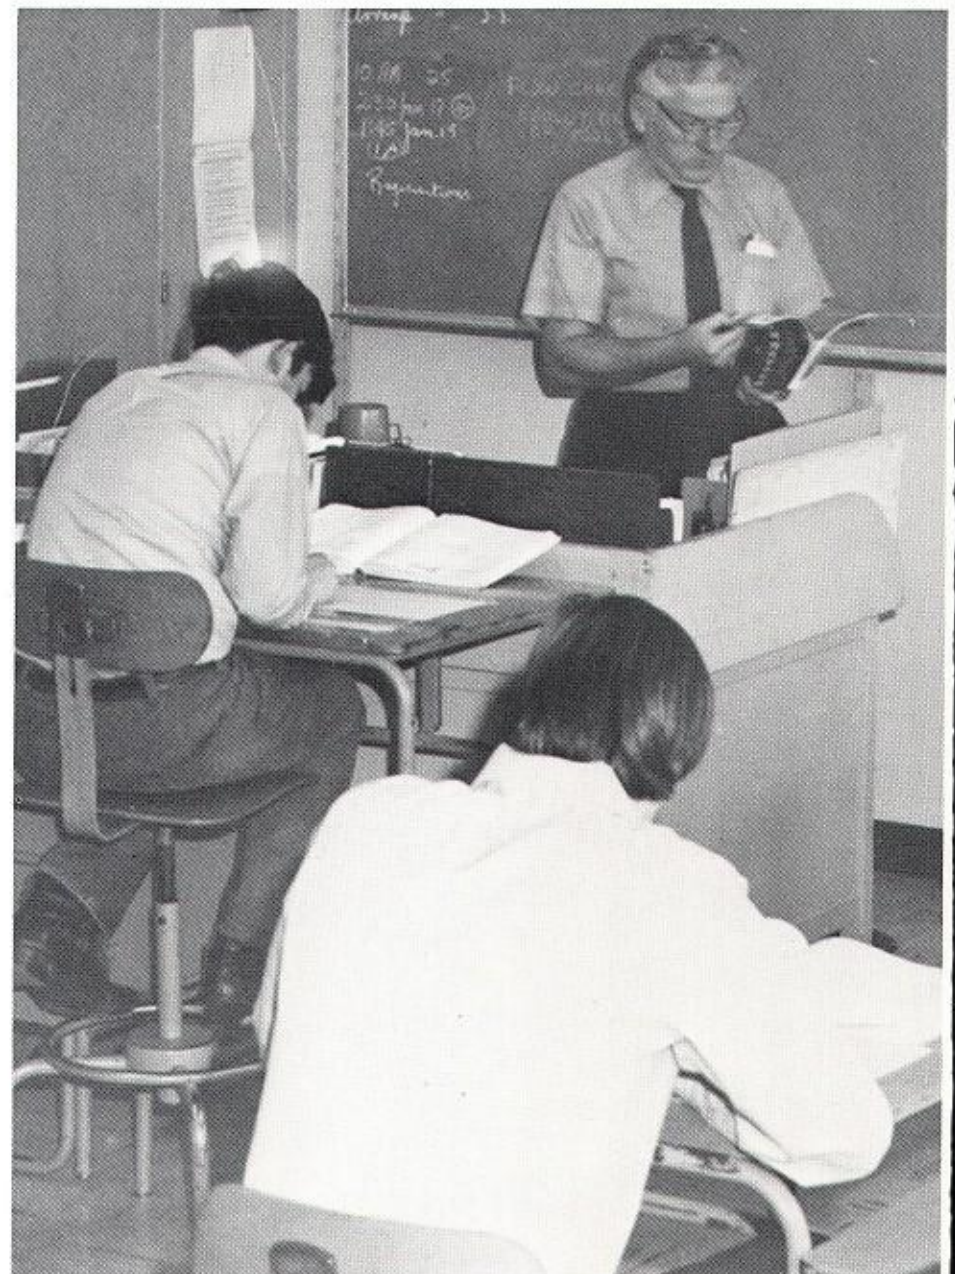

In addition to learning from books, the students at John F. Kennedy learn through experience. The rooms are equipped with the facilities necessary for developing skills in typing, art, sewing, cooking, physical fitness, and industrial arts. Also, video tapes, movies, records, and filmstrips are available to broaden our knowledge in practically every subject. The students feel a sense of accomplishment when they finish a course knowing that they have learned a new skill and applied it by either making a lamp, sewing a skirt, baking a cake, or painting a picture.

SENIORS

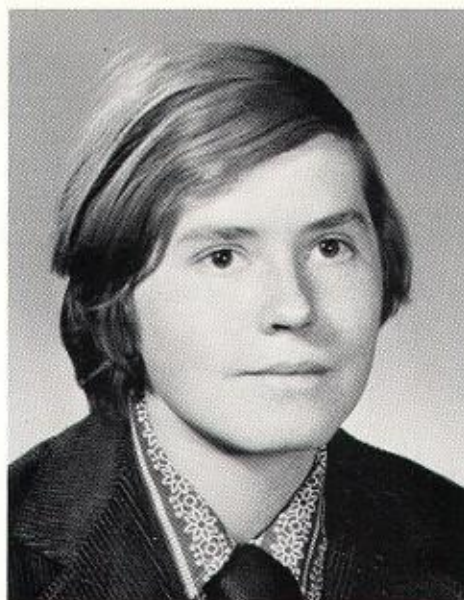

*I've lived a life
that's full, I've
traveled each and
every highway.*

KATHY ADAMS

Kathy's plans for the future are to get out on her own for a while. While at Kennedy, Kathy liked to have a good time and didn't like to be alone. Her favorite saying is "sudsie," and as a hobby she likes to ride horses.

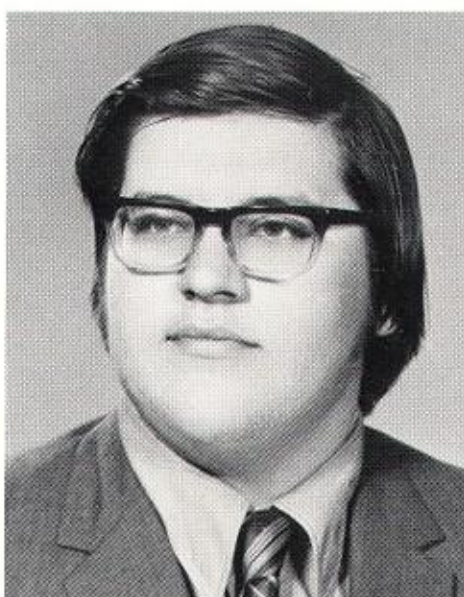

LAWRENCE BASKE

Larry likes hunting and fishing and is in a college entrance course. He enjoys bringing hot peppers and onions to lunch.

BONNIE ALBARELLA

Bonnie likes to drive teachers crazy. She is a member of the Drama Club, Yearbook, and the Medical Careers Club. Bonnie dislikes Chemistry and writing compositions. She enjoyed her Junior Ring Dance, and wants to be an English teacher. Bonnie's favorite saying is "I don't get it."

JOHN BAUTZ

John who attends Potter Road in the morning, holds his senior year as his fondest memory. He likes watching Buffalo Bills football games. He would like to become an electrician. His favorite saying is "Don't do it again."

PAUL AUGER

Paul is one of the seniors attending Buffalo State. He likes school and riding around in his red Cutlass. His future plans are undecided, but he will finish school at Buffalo State.

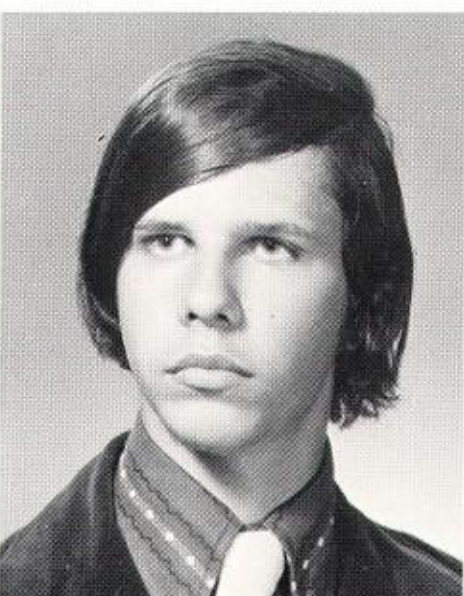

JOSEPH BENTEN

Joe is attending college at Buffalo State, in the early entrance program. During his years at Kennedy he was a member of Future Teachers, the Nuntius, and Drama Club, and the National Honor Society. He will graduate with the seniors in June, and plans to be a Biology teacher.

GARY T. BABCOCK

Gary is very active in football and basketball. His future plans include finding a job. Beets and wars head the list of Gary's dislikes. He can always be heard saying "tip" or "Power to the Max."

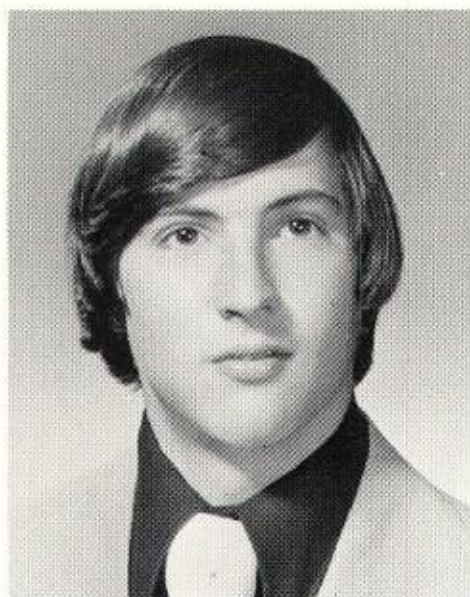

MICHAEL BERNAL

Mike's years at Kennedy include participating in J. V. Football, J. V. Baseball, and Varsity Football. "Berns" hobbies include fishing, and he plans a career in wildlife management. His fondest memory was hitting the winning run in a J. V. Baseball game.

Diane's activity is DECA. She plans to be married and likes her boyfriend Dale. She dislikes short pants and long skirts. Her favorite saying is "What cha want?"

PAUL WIERTEL

Known as Truth, Paul likes girls, and all sports. He dislikes church, Spanish, and a nagging mother. He remembers the day he met his girlfriend Diane as his fondest memory. He wants to be a "playboy", join the Navy, and then get married. "You can't win them all."

RICHARD WINKOWSKI

Rick was kept busy at Kennedy with four years of football and as a member of the Varsity K. His fondest memory was the doctor's office during football season.

LEONORA WIESE

Leonora would like to become a model or a stewardess. She likes being around people and dislikes homework and lunches. While at Kennedy she participated in the Drama Club and the football concession stand.

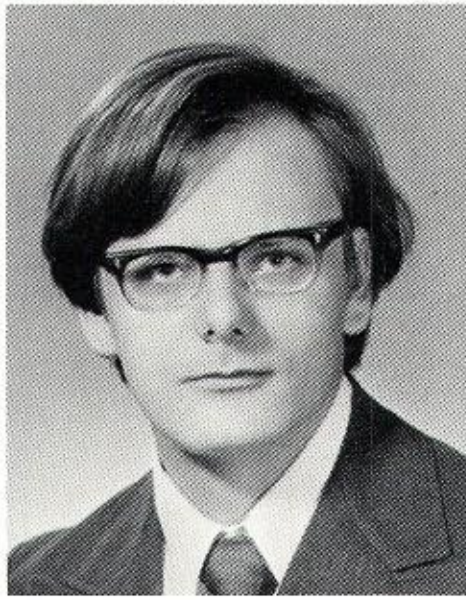

SHARON WISNIEWSKI

Sharon who has been active in cheerleading, Nuntius, Medical Careers, and Drama Clubs would like to be a stewardess. Her outside interest Wm. Hengerer Fashion Board, sewing and swimming. She also enjoys white "Vettes" and people. She dislikes cigarette or cigar smoke and frequently says "AW get out!"

MITCHELL WIESZCZECINSKI

Mitch attends Potter Road for auto mechanics. He enjoys reading and likes vacations. He dislikes school. His favorite saying is "Like krope through a goose."

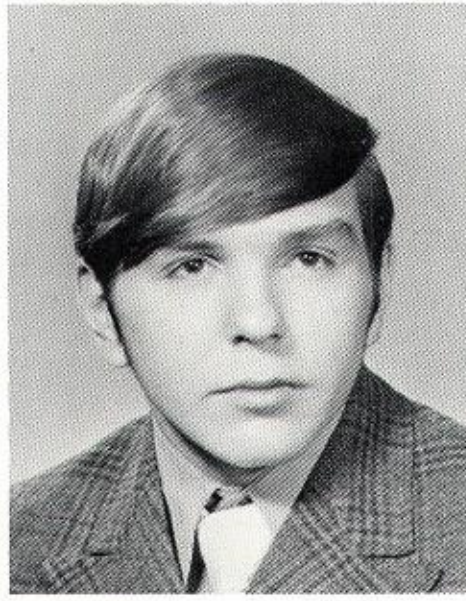

LILI WITRYK

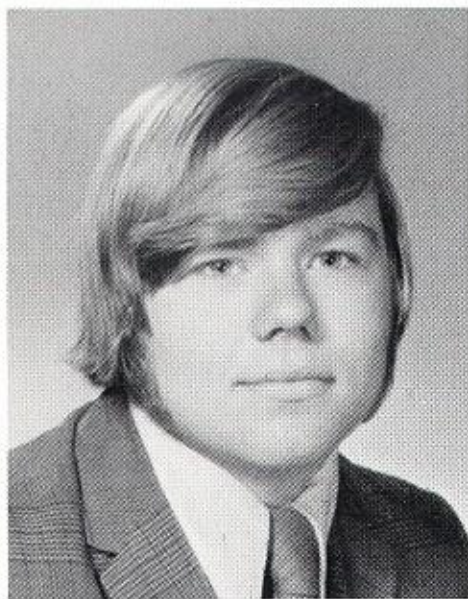

Lili likes pizza and picnics but dislikes golf. She collects book matches as her hobby. She enjoys swimming and ice skating. Her fondest memory is the Potter Road bus. She plans to marry Dave.

GREGORY WILKOLASKI

Greg includes fishing and hunting as his outside hobbies. He participated in track and his future plans are to work. He likes girls, and dislikes homework. His favorite saying is "I don't know."

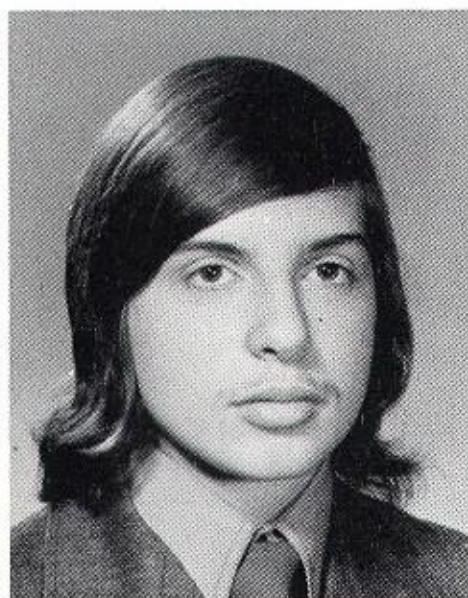

ANTHONY WITULSKI

Tony is active in football, Student Council, Varsity K, Drama Club, and intramural volleyball. He dislikes whipped cream, being short, chocolate candy, and cake. His fondest memory is being out on the gridiron for J.F.K.

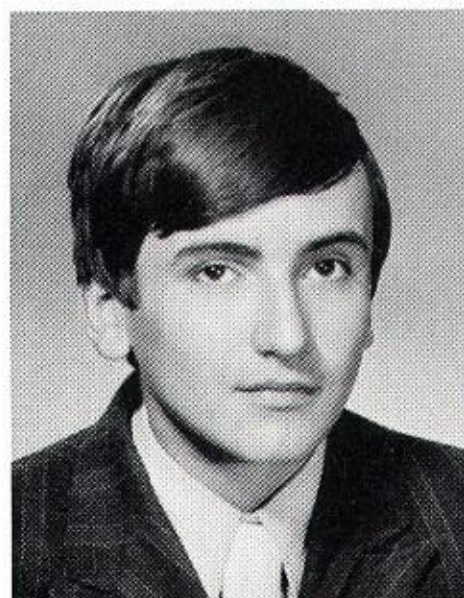

DONNA WOJTASZEK

Donna participated in DECA while here at J.F.K. Her favorite hobby is swimming. Her fondest memory is the summer of '70. Her future ambition is to become a good secretary.

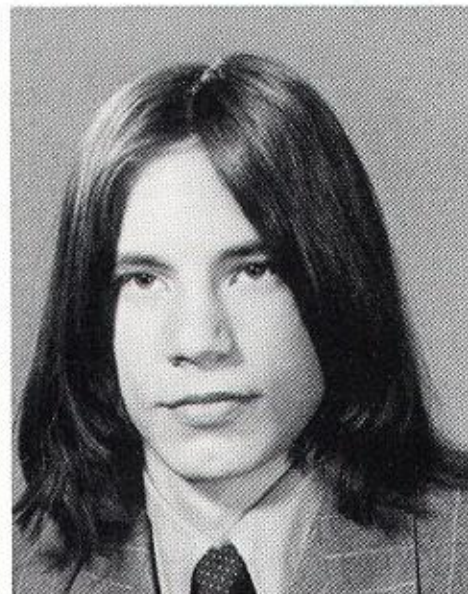

JAMES WLODARCZYK

Jim likes freaky things. He enjoyed photography class during his senior year. His plans for the future are undecided.

GERALD WOYSHNER

Jerry's activities include basketball, football, track, and volleyball. His fondest memory is the old '59 Buick. He likes cars and snow. He dislikes pollution and pimples. His future plans are to be a success in the years to come. His favorite saying is, "Back off, Jack!"

EDMUND WOJCIK

Ed's goal in life is to be in a Broadway Show. His activities include yearbook, Senior Play, Drama Club, Nuntius, and the Spring Production. His hobbies are photography and painting. He likes Boston and New York City. He dislikes Buffalo and hot dogs.

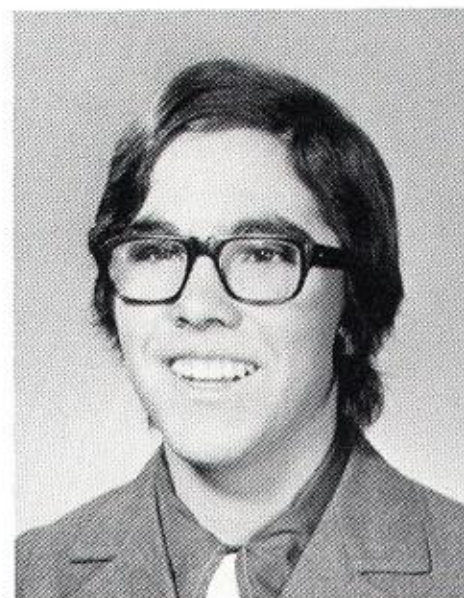

LINDA WOZNIAK

Linda participated in Student Council, Guidance, and the Office. Her outside hobbies are horseback riding and cooking. She likes to swim. She dislikes short pants and golf. Her fondest memory was the summer of '72. To become a secretary is her plan for the future.

TIMOTHY WOJTASIEWICZ

Tim is enrolled in a college entrance course. His favorite pastime is doing nothing. He has not made any future plans.

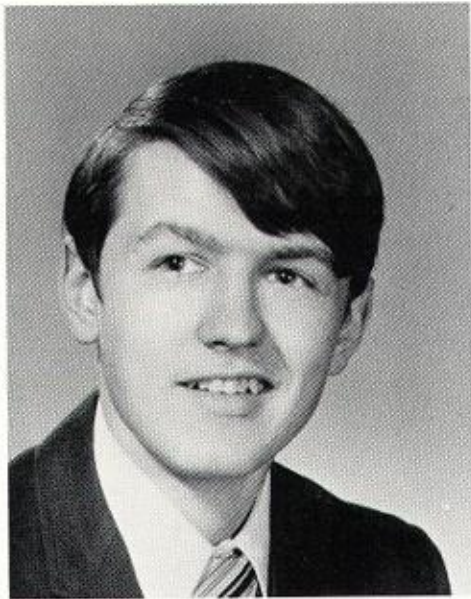

DENNIS YOUNG

Dennis likes sports and good music. He participated in Track and plans to attend law school in the future. His fondest memory was Dan's Garage.

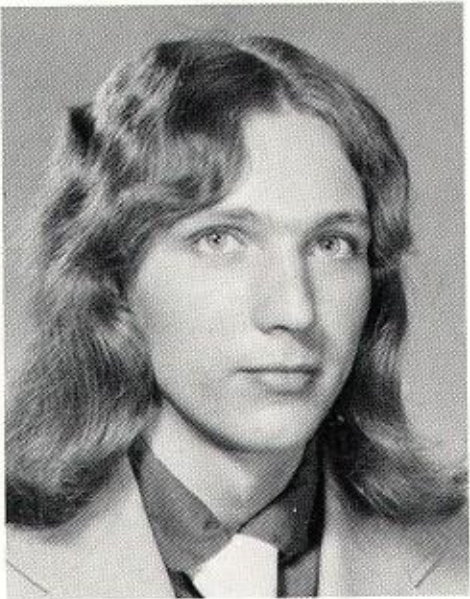

JOHN ZARDESKAS

John is planning to attend college after high school. His hobbies include all sports. His likes are money and anything not affiliated with school. John's favorite saying is "Buzz off!"

HENRY ZMICH

Henry, known as "Messenger," attends Potter Road. His hobby is rock band organization. He likes challenges and hates disorganization. His fondest memory is April 14, 1972. He would like to join a great rock band and he enjoys saying, "That's Kool."

DEBORAH ZAWADZKI

Debbie was in the DECA club. Her hobbies include swimming and horseback riding. She especially remembers the summer of '70 and likes to have fun. She hates bossy people. Debbie's favorite saying is "I don't know." Her future plans include wanting to become a dental assistant.

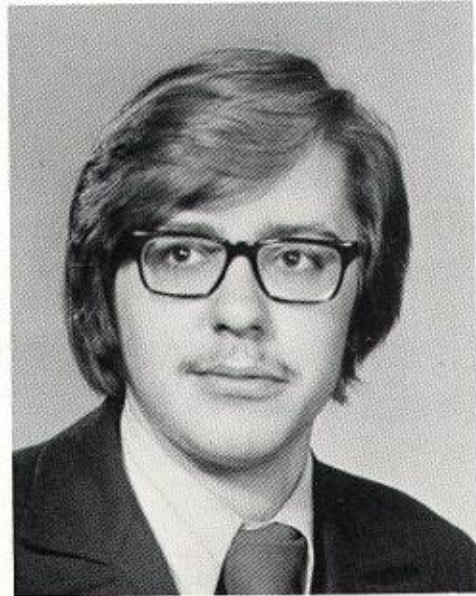

MICHAEL ZAWODZINSKI

Mike played J.V. and Varsity basketball for three years. He is a member of the National Honor Society. His hobbies include all sports and making phone calls. He likes to punch girl's arms in the halls. Mike plans to attend college.

JERRY ZIOMKOWSKI

Jerry was enrolled in a business course during his years at J.F.K. He enjoys riding around in Eddie's car and doing nothing. He is undecided about his future.
